Alexandria, VA 22313-1450

Dear Sir:

Applicants resubmit the attached Information Disclosure Statement (IDS) for the Examiner to consider and review before the Issue Fee is paid. This IDS was previously submitted electronically on January 9, 2003 in the above case as evidenced by the attached Acknowledgment Receipt received in response to submitting the IDS. The Examiner said he would consider this previously submitted IDS upon the Applicants making a resubmission and that no fee was required because the IDS was timely submitted. Applicants request consideration of the references in the previously submitted IDS. Applicants note that the Examiner may submit the reviewed initialed references in a Supplemental Notice of Allowability or Allowance.

Applicants submit that no fee is required because the IDS was timely submitted on January 9, 2003. Nonetheless, should any additional fees be required to enter this IDS for submission, please charge Deposit Account No. 09-0466.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
